A WELCOME MESSAGE FROM OUR CHURCH

We would like to welcome you and tell you how happy we are that you have chosen to be with us. We are a friendly and caring church that exalts the Lord Jesus Christ as the Head and that loves people. We are an independent, fundamental, missionary Baptist Church that believes the King James Bible is the divinely inspired and perfectly preserved Word of God, and that this Bible has the answer for all of today's problems. The primary purpose of our existence is to fulfill the Great Commission, both locally and globally, that souls may be reached with the Gospel Message and won to Christ. We want to invite you to be a part of this local body that we may learn together.

If you are interested in going, please let Pastor Michael know, including how many will be coming from your family ASAP. Our existing reservation is for 15 people, and only 10 have confirmed with me they're able to come at this time slot.

We need candy for the upcoming Fall Harvest Party. Please bring in candy as you come to the next few services, and please let me know if you plan to attend and how many will be attending from your family ASAP.

There will only be one church dinner in both November and December due to the Thanksgiving and Christmas holidays (see calendar).

PASTOR'S CORNER

John 3:19, "And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil."

Jesus is the Light that came into this world and He was not received due to the darkness of man's evil deeds; but another sad truth is that those of us who have accepted Him are getting used to the dark. Have we forgotten how helpless and hopeless we were before we saw the Light one day? The Bible tells us that evil men and seducers shall wax worse and worse, but that doesn't mean that we shouldn't still let our light so shine before men! As a matter of fact, the darker the night, the brighter the light. The wickedness all around us should not keep us so depressed that we feel as if there is no hope for this lost and dying world, but rather it should motivate us to spread the Gospel more than we ever have! It isn't time to just sit around getting used to the dark, we need to shine our lights bright!
